Inspiring

Minds...

Transforming

Lives...

Would you like to earn a degree from one of Dehradun's top Engineering College?

We've got state-of-the-art facilities and some of the best industry professionals to help you to get the most out of your College experience.

Choosing the right college is one of the most important decisions you'll have to make. There are many reasons and to benefit from studying at JBIT.

Why study at JBIT?

- **We are the top most college in Dehradun in terms of employability. More than 86% of our students get employment within six months of their graduation either through campus placement or through off the campus.**
- **We are the number one college in Dehradun as we are not only focussing on teaching of students but also focussing on enhancing their learning level and development of their personality through skill and innovation.**
- **Our portfolios of courses are Bachelor, Master and Diploma in Engineering, Pharmacy, Agriculture and Management.**
- **We are located in Dehradun, an one of the educational hub of India, on Dehradun-Shimla Bypass at 24 Km from ISBT and Railway Station and 26 Km from Jolly Grant Airport.**
- **Our campus is peaceful, Greenish and Picturesque thus making the conducive environment for study and having the state-of-the-art of laboratories, library and computers with latest software and internet facility for the academic development of students. The campus is also having co-curriculum and extra-curriculum facility for all round development of students.**
- **JBIT has close links and Tie-Up/MoU with industry professionals of national and multinational companies of repute such as Amazon, Bridgestone, GENPACT, Hero Group Hero Honda, Mahindra & Mahindra etc for promoting training and placement of students.**
- **We have highly qualified staff, with a wealth of industry experience. They are committed to developing the skills and career aspirations of our students. All the programme in the campus are organized by students under the table guidance of faculty students get an opportunity for**
- **The College has a vibrant student community. All students have the opportunity to get involved with our Students' Union, which has a diverse range of societies.**

Our Vision

"To build a vibrant multicultural teaching & learning environment founded on value based academic principles where in everyone involved in the churning process will contribute efficiently, effectively with full accountability to the future generation".

JBIT Group of Institutions

- JB Institute of Technology
- JBIT College of Applied Sciences

We at JBIT visualize our rich architecture decorated with green ambience to be a pioneer educator group producing knowledgeable, skilled and social, sensitive global adopting scholars through excellent of teaching learning process and state of the art of laboratory and inculcating the quality of entrepreneur, leadership & moral value in them.

Since inception, the institute has constantly worked towards raising academic standard by adding laboratory with latest equipments, computers, software, and internet facility so that research environment can be created in the campus. We not only concentrate knowledge enhancement, innovation skill development but also enhancing spiritual and personal development of scholars. This kind of stimulating environment, we aim to inspire and develop the creativity in each students, so that myriad social and economic problems can be solved.

It gives us an immense pleasure that the knowledge and skills of the budding professionals in visible through excellent academic performance of our students and their acceptance by Pan India reputed organization.

Your interest in JBIT is appreciable. We assure you that we will be continuously fostering the growth or innovative professional scientist and engineers with confidence building for facing the challenges of the society and world as well.

JBIT responds to these pressing problems by promoting research across the spectrum of scientific and technological fields. By providing this kind of stimulating environment, we aim to inspire and develop the creativity of each student. We are pleased to note your interest in JBIT. We foster the growth of innovative professionals, scientists and engineers who are firmly grounded academically and enjoy the trust and confidence of the community at large.

We want JBIT to be the dream of every child who wants to make the world a better place.

With Best Wishes!

*L.D.Singhal
(Chairman)*

J B Institute of Technology, Dehradun was established in 2009. JBIT has turned to be one of the premier private engineering institute of Uttarakhand. 25-acre campus of JBIT, located at foothills of Himalaya is home to a large number of students coming from different states of India.

With a rich heritage spanning over year

Flagship of JBIT Group of Institutions is famous for its Postgraduate, Undergraduate, Diploma & Applied Sciences Program & academic excellence.

Located in the peaceful & pristine Doon Valley, The 25 acre JBIT campus is a goldmine of opportunities for students.

Limited intake in each of our programs ensures that the quality of each program is monitored closely and you benefit by getting individual attention in your classes & labs.

Emphasizes on emerging technologies, innovative ideas, team spirit, and overall development.

Emerge as one of the most progressive institutions in principles of keeping trust, responsibility & integrity

Designed to provide holistic education by which character is formed, strength of mind is increased, and intellect expand-enabling students to stand on their own feet

Ranked no 1 Engineering Institute in Uttarakhand in an independent survey by the prestigious THE WEEK & OUTLOOK.

Empanelled competent & respected academicians as our faculty involved in academic research & development leads to a significant output.

Offering Industry ready curricula for various academic program, making the most of those links is an investment that will serve you once you graduate.

Highest Priority is attached to discipline, which plays a vital role in shaping personality & professional outlook.

Anti-ragging squad comprises of several senior faculty who ensure all rules & regulation are enforced in entirety and students do not feel threatened in new campus.

State of art infrastructure viz. theatre style lecture halls, smart class rooms, modern labs, conference and seminar halls, a gym, IT Centre, clean and airy student hostel, mess, indoor & outdoor sports facilities.

Employs a wide range of teaching learning methods to create a varied and holistic learning environment.

Soft Skill & Aptitude Training by corporate trainers further helps polish the skills learnt by our students.

Excellent Linkage with industry, national industrial associations and other renowned organizations.

Excelling in Placements in quality as well as in numbers making it outstanding year after year.

Scholarships to meritorious and deserving students as a token of recognition of their performance at entry level.

Excellent academic ambience in the campus.

- **State-of-the-art infrastructural facilities.**
- **Dynamic leadership with a clear vision and mission.**
- **Dedicated and highly motivated team of faculty.**
- **Team of faculty is a fine blend of experience and dynamic youth.**
- **Excellent academic track record of students in university examinations. Students have consistently secured University ranks in Electronics and Communication, Mechanical, Civil, Electrical and Computer Science and Engineering ever since the first batch passing out in 2013.**
- **A highly disciplined environment for academic pursuit.**
- **In-house faculty development programs conducted regularly for benefit of faculty.**
- **Excellent track record in placement since 2005.**
- **Open House - Interaction of faculty, parents and students arranged each semester to assess the Learning difficulties of individual students, if any, and to chalk out remedial programs to improve their performance.**
- **Value-added courses offered for benefit of students**
- **MOU with major IT Industries.**
- **Social commitment reflected in the scholarships and tuition fee waiver schemes for academically brilliant but economically backward students.**

Achievements, Appreciations and Awards:

- (1) The Institute has been ranked as “No 1 Private Engineering College in Uttarakhand” by Reputed Magazine “THE WEEK” in Edition June-2016.
- (2) The Institute has been ranked as “No 1 Private Engineering College in Uttarakhand” by Reputed Magazine “OUTLOOK” in Edition July-2016.
- (3) The Institute has been awarded as- “Most Upcoming Engineering College in India” by ASSOCHAM, NEW DELHI in Year-2014, The Chief guest of the award ceremony was – Dr. Karan Singh.
- (4) The Institute has been recognized as “One of the Best Online Examination Centre” –By Tata Consultancy Services, ION:
- (5) The Institute has been awarded as- “Excellent Emerging Technical Institute in Uttarakhand”- By Chief Minister of Uttarakhand.
- (6) Amar Ujala facilitated to the Institute with ‘Shikshavid Award’ in 2016.
- (5) Jagran Publication Ltd. facilitated to the Institute with “i-Next Achievers Award” in 2016

Uttarakhand Technical University

The, Uttarakhand Technical University Dehradun was established on 27th January 2005 by Govt. of Uttarakhand through the Uttarakhand Technical University Act 2005. The Uttarakhand Technical University campus is situated at NH-72 Suddhowala, Dehradun. Dehradun is the State capital of Uttarakhand well connected through Rail, Road and Air transport.

The University has been established in an area of 8.372 hectare and it is the only affiliating University of the state for technical institutions. There are 8 Constituent and 132 affiliated colleges with 33,000 students in various courses .The University imparts education in Graduate, Post Graduate and Doctorate programmes in various disciplines like Management, Engineering, Hotel Management, Computer Application, Pharmacy etc.

The University is serving the technical education through its progress monitored each semester, part time Ph.D programme especially designed for the teachers and scientists by giving them opportunity to explore the untouched area of the research. The University in its own campus running M.Tech and M.Pharma Programme in various disciplines. Apart from this University is having 8 Constituent Colleges. Spreading Technical Education in the remote underprivileged area of Uttarakhand hills.

Affiliated to Uttarakhand Board of Technical Education Roorkee(A State Govt. Board)

Applied Science Course & BBA

Affiliated to SridevSuman Uttarakhand University (A State Govt. University)

1. M.Tech(Computer Science & Engineering)- 24 Seats Duration 2 Years

Eligibility criteria: B.tech (CS/IT/EC) / MCA/M.Sc. (CS) with 55% from a recognized University.

Our PG degree programs are design to equip you for a career at the forefront of innovation. We provide a firm grounding in the Research and Development skills that will allow you to contribute to this rapidly opening the door to an exciting career in virtually any area of business or society.

2. B.Tech (Electronics & Communication Engg)- 60 Seats

The Department has a wide range of research activities, grouped under seven areas, namely (i) Computer Systems and Networking, (ii) Telecommunications, (iii) Microelectronics, Optoelectronics and VLSI, (iv) Electrical Energy Technologies & Systems, (v) Biomedical Engineering, (vi) Information Systems, and (vii) Electromagnetics and Optics. Our research activities are supported by more than 100 research grants awarded over the last three years. Apart from basic research, our faculties have been actively engaged in applied research and technology transfer.

3. B.Tech (Computer Science &Engg) - 60 Seats

Computer Science Engineering is is the study of theoretical foundations of information and computation, and practical techniques for their applications in computer systems. The Department of Computer Science & Engineering at JBIT has been at the forefront of churning out software engineers with a high calibre of technical expertise.

4. B.Tech (Mechanical Engineering) - 120 Seats Mechanical Engineering is about the design, analysis, manufacture and maintenance of anything that has moveable components. This “mother” branch is an “all weather” and “all purpose “ field that allows engineers specializing in it to enter all possible sectors.

5. B.Tech (Electrical Engineering)- 60 Seats Electrical Engineering deals with the study and application of electrical systems for use in different environments. A student has to learn about transmission and generation of electrical power, electrical circuit design, electronics, instrumentation, and control systems. The department is equipped with the latest experimental and computational facilities for taking up R & D activities in various fields of electrical engineering.

6. B.Tech (Civil Engineering) - 60 Seats Civil Engineering is about the design and planning, construction, supervision, quality control and maintenance of physical structures, such as buildings, roads, bridges, dams, canals, sea ports, power plants and airports. Specialization includes structure, transportation, geotechnical and geo environmental and water resource engineering. Employer includes municipal bodies, the defence forces, National Highway Authority of India, Govt. development arms like the NHPC, BHEL ONGC, Railways, and L&T etc.

Eligibility criteria: Minimum of 45% marks in Physics, Chemistry, Mathematics & those who have appeared JEE Exam.

Duration 4 Years

Scholarships for meritorious students based on their performance in Qualifying Exams.

Polytechnic courses at JB Institute of Technology, Dehradun are aligned with the vision of Prime Minister Skill Development Project, 100% Placement guarantee is assured to all Diploma students that complete their diploma with certain benchmark academic performance equipped with practical knowledge.

Diploma programmes help the students to excel in today's competitive business world. Based on their ability, students completing the Diploma Course are absorbed by various industries and other technical organizations within India and abroad.

7. Diploma (Mechanical Engineering) - 60 Seats

8. Diploma (Civil Engineering) - 60 Seats

9. Diploma (Electrical Engineering) - 60 Seats

Duration 3 Years

Eligibility criteria: 10th Pass with Science Stream from a recognized board/Institution. The admission in Diploma Program would be basis on the valid Entrance Exam (JEEP).

Scholarships for meritorious students based on their performance in Qualifying Exams.

10. Bachelor of Business Administration (BBA) - 60 Seats it is a 3 years long Undergraduate Level Bachelor's Degree program. The BBA program provides Students with the knowledge and decision making Skills necessary to understand the modern business world and to achieve the highest levels of success in their professional careers. The Programme equips you with fundamental skills and knowledge essential for managing the key are of organizations: Finance, Human resource management and Marketing Management.

11. B.Sc. (Agriculture) 60 Seats it is a 4 years long Undergraduate Bachelor Degree program.

10+2 Science stream students with Physics, Chemistry and Biology subjects, who have passed their board examination from a recognized board, are eligible to pursue this course.

B.Sc. Agriculture program consists of topics such as- agriculture science, use of modern scientific equipment and techniques in agriculture, land surveying, soil science, water resource management, animal and poultry management, basics of biotechnology etc.

12. B.Sc. (Forestry) 60 Seats B.Sc. Forestry program is 4 years long. It is an Undergraduate Degree program. The 4 year duration is divided into 8 semesters, each semester lasting 6 months.

Students who have passed 12th Science stream board examinations (with Physics, Chemistry and Biology subjects) from a recognized board are eligible to apply for this course.

The main aim of this program is to train students to become Forestry professionals. The tasks of forestry professional are- conserving forest and forest resources, conserving and protecting wildlife, manage forest resources, develop forest and forest resources etc. B.Sc. Forestry program trains students and instils skills in them, which will help them perform the above mentioned tasks. Also, the field of Forestry.

13. B.Sc. (Horticulture) 60 Seats It is a 3 years long Undergraduate Level Bachelor's Degree program.

10+2 Science stream students with Physics, Chemistry and Biology subjects, who have passed 12th board examination from a recognized board are eligible to pursue this course.

Like all B.Sc. courses, this one too has the semester system of learning. The 3 years' duration is divided into 6 semesters, with each semester lasting a period of 6 months.

During each semester, students will have to face separate sets of theoretical subjects as well as lab practical sessions associated with those subjects.

B.Sc. Horticulture program is all about cultivation of plants, starting from seed related study to scientific study of cultivation, genetics of plants, plant diseases etc. In short, it is all about the application of scientific knowledge in plant cultivation and thus increase productivity and yield!

Scholarships for meritorious students based on their performance in Qualifying Exams.

Enter the world of Innovations at JBIT

Placements

Placement Highlights

- **The Institute is most popular among the students as “No-1 Destination for Open Pool Campus Placements drives”- By Top Notch multinational companies.**
- **107 Multinational Brands are conducting open pool campus placement drives every year.**
- **Over 83% students placed every year since last three years, In addition to own students; hundreds of other college students also get the offers through the institute.**
- **Good placement ratio in core companies also in addition to IT Multinationals.**
- **Alumni currently working in reputed blue chip companies, major names are:-**
 - **Cognizant Tata Consultancy Service Pvt. Ltd. Wipro Honeywell**
 - **Paytm Siemens Systems Pvt. Ltd. IBM Mphasis**
 - **Birlasoft. Oracle Inc. Global logic Technologies Pvt. Ltd. Gurgaon**
 - **Zeptech Solutions Pvt. Ltd, Systweak Software Pvt. Ltd,**
 - **TAFE Tractors Pvt. Ltd. HCL Infosystems Pvt. Ltd.**
 - **TVS Tyres Pvt. Ltd TISCO (TATA Motors)**
 - **Bridgestone India Automotive Products Pvt. Ltd**
 - **Duratuff Glass Industries Pvt. Ltd, Bangalore**
 - **OkayaInfocom. Pvt. Ltd. GENPACT Ltd, Noida**
 - **Acro Service Corporation, Noida eClerx Service Pvt. Ltd, Chandigarh**
 - **Basware Corporation, Chandigarh AIS Glass Industries Pvt. Ltd.**
 - **Gold Plus Glass Industries Pvt. Ltd. US Tech Solutions Pvt. Ltd.**
 - **Maintec Technologies Pvt. Ltd Easy Policy Web Aggregators Pvt**
 - **Value Prospect Consulting Think and Learn**
 - **IMS People, Ahmadabad Net2Source Pvt. Ltd, Noida**

Student Speak

Do not settle for good...Demand Great and JBIT is the right place to dream great with best of your capacity.

Mr. Santanu Garai B.Tech(ME) GDPCL India Pvt. Ltd.

In this land of competition, career choice and job satisfaction don't complement each other. But, JBIT has just provided me that and I am indebted to them for such a selfless favour to a budding an engineer.

VikasAnand B.Tech(ME) ION EXCHANGE INDIA LTD

I want to give some messages for my juniors-For success you need a goal, for goal, you need vision, for vision you need a passion .so your road to success begins with passion be passionate.

Mr. AnkitNegi B.Tech(EE) Intex India Pvt. Ltd

If you hear a voice within you say 'you cannot paint,' then by all means paint, and that voice will be silenced

Ms. PiuChakarborthy B.Tech(CSE) Tech Mahindra

Phenomenal faculties at JBIT have helped me to discover my true potential and have given me unique opportunities which have helped me to prepare for the various challenges of life.

Mr. Sachin Chaubey B.Tech(EC) USTECH Solutions Pvt. Ltd, Noida

Facilities & Infrastructure

Language Lab

Globalization has thrown open unprecedented opportunities to engineering graduates. In this highly competitive world one is required to possess hard as well as soft skills in order to be successful at job interviews and in career.

Communication skills in English, the undisputed global language are prerequisite in the global environment. It is common understanding that the first language tends to influence the second and subsequent languages. The language lab is equipped with 30 computers and 30 headphones with language lab software. This software is especially useful phonetics as accents and intonation of students can be corrected.

Fitness Centre

The fitness centre is a health, recreational and social facility geared towards exercise, sports & other physical activities. Institute has gymnasium equipped with all the modern health instruments. All health savvy students make use of this facility to maintain physical and mental fitness.

Wi-Fi CAMPUS

Campus has 100MPBS of high speed internet facility. The institute has a 24*7 wi-fi facility in the college campus for the student and faculty members at any place in the college. The connectivity through a fully networked campus with state-of-the-art IT infrastructure, computing & communication resources, offers students the facilities of e-mail, net surfing, up/down loading of web besides application, besides helping them in preparing projects & seminar.

Library

The library serves as a resource centre for students. The collection of the library which includes books, journals, and Bound volumes of journals, some of the rare reference materials, e-journals, e-books, video lecture of NPTEL.

The library has been using an Integrated Library Management software package with all the modules for the library housekeeping operations. Users can search the Library Online Catalogue by Author, Title, Subject and Keywords. Also, the users can get the information regarding the new arrivals & latest additions of periodicals and books, also they can know the status of any particular document whether it is available in the library for issuing or not.

Yoga & Meditation

The Sanskrit word “yoga” actually means “union with the divine” or “oneness unity”. Yoga helps in self discipline and self-control, leading to immense amount of awareness, concentration and higher level of consciousness. Instate Yoga and Meditation centre help the students for good health, mental hygiene, possess emotional stability, integrate moral values and attain higher level of consciousness.

Canteen /Cafeteria

The canteens serve delicious, healthy and hygienic food at reasonable rates. JBIT canteen provides good quality fast and beverages at nominal prices.

Transport

The institution provides transport facility to its day scholars as well as to the students living in off-campus hostels on nominal charges through its own buses. The buses ply on different routes of the city & neighbouring regions via vikasnagar, Herburtpur, Kalsi, Paonta Sahib etc.

Beyond Academics

Various Clubs have been organized in JBIT with an aim to build self esteem, self worth, elegance, grace, strength and intellect.

Endeavour: Hobbies Club

Indoor club is a major center of attraction especially during cricket matches with the perfect ambience and sound system which makes watching cricket matches a really wonderful experience. A rink just outside the students club an ideal place for celebration of various festival during college fest.

Entrepreneurship Club

The Entrepreneurship Club at JBIT with the vision to create a gelling point for aspiring entrepreneurs at the institute. The club's mission is to educate the students about the nuances involved in business and entrepreneurship and to prepare them to undertake the journey from the genesis of an idea to its successful business implementation.

The Club regularly hosts guest lectures by distinguished personalities from the industry and academia, in addition to organising various business and marketing competitions round the year.

TechAakriti: The Technical Club

JBIT is the premier organization for technology in education, "Providing leadership and service to improve teaching and learning by advancing the effective use of technology in education". The major objective of JBIT is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industries and other organizations. JBIT is involved in coordinating various quality improvement programmes and organizing summer/winter school programmes for teachers and students.

Expressions: The Literary Club

The Literary Club aims at not only refining the literary skills of the students but also developing in them logic and curiosity to know more and to instil in them a confidence to speak well. Competitions of various kinds are held to enhance their talents. The club holds Extempore Speech Contest, which helps them to deepen their power to think and broaden their vocabulary, at the same time exposes them to a set of audience necessary for the growth of confidence in them.

Corporate Social Responsibility Club

Corporate Social Responsibility has always been an integral part of E-max vision. In a view to contribute its share towards the society, the management of has undertaken several initiatives towards the benefit of the Society at large Such as Blood Donation Camps, Tree Plantation Drives, Road Safety Campaigns.

LAN-Gaming Club

A LAN Gaming Center has been established where Students can use computer connected over a LAN to other computers, primarily for the purpose of playing multiplayer computer games

Academic Collaborations for Research and Development:-

To promote research and innovations among the students, the Institute has established:-

- (1). e-Yantra Lab Setup Initiative (eLSI) Robotics Lab in association with IIT Mumbai.**
- (2). Nodal Center for Virtual Lab in association with IIT Delhi.**
- (3). FOSS Resource Center in association with IIT Mumbai.**
- (4). NPTEL in association with IIT Chennai**
- (4). Spoken Tutorial Project by IIT Bombay.**
- (5). Autodesk Club for Engineering and Design**
- (6). Authorized Centre for conducting online Exam by TCS for GATE, JEE, IBPS etc.**
- (7). Institutional Member of Computer Society of India**

The Fest

State of Art Infrastructure

INTERNET

The campus is completely networked and interconnected. The Internet facility is free for all the staff and students. Teachers make use of various educational Portals and web sites for teaching, research & learning..

CENTRAL LIBRARY

The JBIT library collectively supports the teaching, research and extension programmers of the institute. The Library, besides having a huge collection of books on Engineering, Science, Technology and Humanities offers Library services through its various divisions. We have attempted to make the JBIT Library a 21st century knowledge based society of tomorrow. JBIT Library shall continue to adapt to challenging new demands and provides a professional and conducive learning atmosphere for the empowerment of its users.

The Library has subscribed for 84 National/ International Journals & Magazine. JBIT Library is the member of DELNET (Developing Library Network) New Delhi. It aims to collect, store, and disseminate information besides offering computerized services to users, to coordinate efforts for suitable collection development and also reduce unnecessary duplication wherever possible.

ERP system

In order to enhance the efficiency & quality in all the functional areas in the college, ERP system has been implemented in the college campus. Facilities offered by the ERP package are availed by the faculty, staff and students/parents.

“SMS alert” are being sent to the parents on daily basis or on necessity basis.

Attendance/Sessional Marks/Assignments /Teacher Notes/Video-Lectures are being uploaded in the portal for the students to refer to them or download them at their own convenience. Parents have access to this portal and can see the performance of their wards.

MODERN LANGUAGE LAB

A Language Lab is extremely helpful to students of engineering who should be ready to shape their career anywhere in the world. At our Language Lab students are given a brief introduction to Linguistics and Phonetics. Then they are ready to develop world-class communication skills in English using the facilities provided here.

Problem-Solving Tutorial

This weekly, 2-hour, tutorial class will focus on problem-solving equations related to math, engineering, and sciences. The lab portion of the class does include a group project. This course is taken in each semester that a student is enrolled compulsorily.

FACULTY GUARDIAN FOR STUDENTS

We believe not only in educating our students but also parenting them. Teacher-guardian scheme is defined by the following activities: Providing emotional support to students on individual basis.

Helping students overcome home sickness. Establishing rapport between teachers, student & parents. Monitoring attendance and behavioral aspects of every student. Identifying weak areas and working out remedies helping students thereby taking their complete care.

Health and First Aid

In JBIT we also take care of your health, as a healthy body leads to a healthy mind. Regular exercise enhances the sense of mental well-being along with the general physical health.

Free Treatment

All the students are given free treatment for day to day medical problems. No consultation fee is charged. The college has tied up for the services of a leading Doctor visiting the students regularly in the college premises during college timing.

Emergency

For emergency situation the students are sent to authorized & recognized hospital for specialized treatment after giving first-aid. During off time, leading Hospitals and Doctors are on call to attend to any need of medical attention.

Banking Facility

To make banking easier for the students of JBIT, under an arrangement with the PNB/OBC the students are provided with the very zero balance facility along with the computerized passbooks and ATM card.

Educational Loan

The institutes have a tie-up with two leading banks of the city for the convenience of a student to apply education loan. Punjab National Bank (PNB) and Oriental Bank of Commerce (OBC) offers education loan facilities to the students of JBIT at very economical interest rates and the students can make use of such facilities after fulfilling the simple terms and conditions of the bank.

ATM Facility

To facilitate the banking facility for the student as well as faculty staff and other college family members, we have ATM facility in the college premises.

Mess

Our Mess is set inside a cool modern interior that offers a casual yet stylish dining atmosphere. There are separate dining halls for boys and girls.

Cafeteria

The campus has an all- day cafeteria which ensures good refreshments for the students so that they can unwind after a busy day. Food! The mere thought of it makes you go crazy.

In the lap of lush green mountains Cafeteria is the place for all. A sip of ICE-TEA and you will get a different feeling of JBIT. The cafeteria is professionally managed by a special catering company, which is responsible for providing healthy and hygienic meals all the time.

Gymnasium

Well-equipped gymnasium is available within campus for students as well as faculty. Physical activity is good for your mental health. Experts believe that exercise releases chemicals in your brain that make you feel good. Regular exercise can also boost your self-esteem and help you concentrate, sleep, look and feel better. Our Hi-Tech gym is located in our respective hostels of the college.

BADMINTON & BASKETBALL COURT

Separate badminton court is located in the college premises. Court is well managed and has all the modern facilities.

Separate Basketball ground is located in the college campus.

CRICKET & FOOTBALL GROUND

Separate football and cricket grounds are located inside college campus. . Often these are played in social or family situations, or when darkness or bad weather prevent people from moving outside.

The Central Library

Computer Centre

The Computer Centre administers and manages the entire campus computer network which includes all departments, central library, main administrative building, hostels and the guest house etc.

Clubs

Corporate Speak

Impressed with the infrastructure but more with the dedication and enthusiasm of faculty and students. This institution has a bright future; judging from plan that they shared. Good Luck !

Rahul Nikhanj, Unit Head, - Asahi India Glass Ltd.

Thanks for the opportunity. I look forward to have more interactive session with the students.

Surendra S. Rawat, Manager- HR, - Hero Corporate Service Ltd.

Really good spectacular campus, with good quality students. Focus on: getting basics right, understand the ground reality and what market desires!

Anil Yadav, Deputy Manager-HR, - Bridgestone India

Students are really good and have good communication skills.

Rahul Jain, Assistant Manager, - Sony India Ltd.

JB Institute has very good infrastructure. Students have good understanding of Market.

Gaurav Tiwari, Operation Manager, - INDIAMART INTERMESH LTD.

Excellent interface among students! Will love to be part of the entire student's fraternity again.

Gurpreet Singh Ghuman, Territory Head, - EUREKA FORBES LTD

Excellent infrastructure, esthetics are very impressive. Student's knowledge level is upto the mark. Improvements can be made in communication, vision and focus.

Abhinav Nigam, Software Engineer, - MetaDesign Solutions

The campus, the faculty members and even the spirits shown by students was very delightful and encouraging for us & for our company too.

Aditi Goel, Resource Manager, - ACRO SERVICE Corporation.

It is indeed an amazing experience at JBIT for conducting campus interviews. Arrangements and planning is perfect with hospitality. Thank you!!!

Manish Joshi, General Manager HR, - HQ LAMPS Manufacturing Ltd.

It was a marvelous experience conducting campus in JBIT. Ambiance created for students is wonderful. Hope the vision of the founder will be fulfilled in years to come.

B. S. Kater, General Manger, - BIRLA AIRCON REFRIGERATION LTD.

It has been great pleasures of us to attend this campus drive. Candidates are good.

Conversation is pretty well. We are expecting in future to attend /do campus drives again with JBIT.

Mr. Vivek, - US TECH SOLUTIONS

Quality of students was good. It was great interacting with them. Thanks for the support and the hospitality.

Mr. Bhupendra Nayar, - GENPACT

The placement team is very supportive, good quality students and wonderful facility for Campus drives.

Mr. P.K.Upadhyay,- BADVE GROUP

It was a good, satisfying & different experience. We would like to come again.

Ms. Aliba,-INDIAMART INTERMESH LTD

Facilities are great!

Mr. Ashish,- PAYTM

Great team work and excellent students.

SonuTyagi,- MAINTTECH TECHNOLOGY PVT. LTD.

Overall Campus Recruitment program was well organized and well planned .The support from the staff was highly co-operative and I would Rate their Service as Three Star (***)

Ms.RUCHI PERSHAD,- EASY POLICY

The entire placement program was very professionally managed.

Mr. Rishi Tandon- VIJAI ELECTRICALS LTD.

JBIT has seen tremendous improvements in last few years and based on their continuous efforts we can expect much better performance by the students of upcoming batches..Keep it up

Mr, AbhishekTyagi,- VALUE PROSPECT CONSULTING

The Facilities, Hospitality and courtesy from placement staff & the student coordinators has been a huge support.

Mr. Jagjeet Singh,- GOLD PLUS GLASS INDUSTRY LIMITED

The Placement team was very cooperative. Good Program. Nice Staff.

Ms. Chanda,- ACRO HR SOLUTIONS INDIA PVT. LTD.

About Dehradun

Dehradun is the capital city of the state of Uttarakhand in the northern part of India. Located in the Garhwal region, it is 236 km north of India's capital New Delhi and is one of the "Counter Magnets" of the National Capital Region (NCR) being developed as an alternative centre of growth to help ease the migration and population explosion in the Delhi metropolitan area.[3] Dehradun is located in the Doon Valley on the foothills of the Himalayas nestled between two of India's mightiest rivers - the Ganges on the east and the Yamuna on the west. The city is famous for its picturesque landscape and pleasant climate and provides a gateway to the surrounding region. It is well connected and in proximity to popular Himalayan tourist destinations such as Mussoorie, Nainital and Auli and the Hindu holy cities of Haridwar and Rishikesh along with the Himalayan pilgrimage circuit of Char Dham.

Dehradun is also renowned for its natural resources, publishing services and particularly for its prestigious educational institutions. It hosts some of India's best boarding schools and training institutions of national importance such as the Indian Military Academy. It is also home to national foundations such as the Ordnance Factory Dehradun and Opto Electronics Factory of the Ordnance Factories Board and the Defence Electronics Application Laboratory and Instruments Research and Development Establishment of the *Defence Research and Development Organisation* which manufactures products for the Indian Armed Forces. Other institutions include the Indian Institute of Petroleum, *Oil and Natural Gas Corporation*, *Survey of India*, *Indian Institute of Remote Sensing*, *Wildlife Institute of India* and the *Forest Research Institute*.

As engineers, we were going to be in a position to change the world - not just study it.

Henry Petroski

Scientists dream about doing great things. Engineers do them.

James A. Michener

One has to look out for engineers - they begin with sewing machines and end up with the atomic bomb.

Marcel Pagnol

Engineers are behind the cars we drive, the pills we pop and the way we power our homes.

James Dyson

I had no talent for science. What was infinitely worse: all my fraternity brothers were engineers. Kurt Vonnegut

Live as if you were to die tomorrow. Learn as if you were to live forever.

Mahatma Gandhi

It always seems impossible until it's done.

Nelson Mandela

Life is 10% what happens to you and 90% how you react to it. Charles R.

Swindoll

Good, better, best. Never let it rest. 'Til your good is better and your better is best.

St. Jerome

Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence.

Helen Keller

In order to succeed, we must first believe that we can.

Nikos Kazantzakis

Keep your eyes on the stars, and your feet on the ground. Theodore

Roosevelt

Quality is not an act, it is a habit.

Aristotle

If you can dream it, you can do it.

Walt Disney

We should not give up and we should not allow the problem to defeat us.

A. P. J. Abdul Kalam

Try not to become a man of success, but rather try to become a man of value.

Albert Einstein

Coming together is a beginning; keeping together is progress; working together is success.

Henry Ford

An investment in knowledge pays the best interest.

Benjamin Franklin

The roots of education are bitter, but the fruit is sweet.

Aristotle

A good teacher can inspire hope, ignite the imagination, and instill a love of learning.

Brad Henry

Tell me and I forget. Teach me and I remember. Involve me and I learn.

Benjamin Franklin

The true sign of intelligence is not knowledge but imagination.

Albert Einstein
